## **MOTION TO CLARIFY DOCUMENT #122**

Comes now, pro se Plaintiff David Stebbins, who respectfully submits the following motion to clarify the order granting in part my motion to compel discovery, in Document #122.

The order said that the motion to compel discovery was granted "in part." However, as far as the motion to compel discovery is concerned, it seemed to give me everything I wanted. The Defendants were ordered to reply to all the discovery requests that were before them in twenty days or less.

May I inquire as to what part of the motion to compel discovery was denied?
